

Each gift from SOS Children's Villages' gift shop is a real item needed by a child or family in our programs. Your generosity delivers life-changing support to the doorstep of a child or family who needs it most.

Thank you for giving the most impactful gift of all:
Love, Delivered!

In your honor, a gift has been sent to support families
and children worldwide—because you deserve a gift
as impactful and meaningful as you are!

So thank you, Dad, for all you do.

Fathers shape our lives with wisdom, protection and
endless encouragement—building the foundation for
a happy, healthy childhood and bright future
