## About SOS Children's Villages:

SOS Children's Villages is the world's largest organization dedicated to orphaned and abandoned children. Our mission is to build families for children in need, help them shape their futures, and share in the development of their communities. We envision a world in which every child belongs to a family and grows up with love, respect, and security. With a presence in 133 countries including the US, we raise more than 80,000 children in over 500 villages. Our medical, educational, and family strengthening programs impact another 1.1 million people annually.
